

Q3 REPORT Jun/Jul/Aug 2024

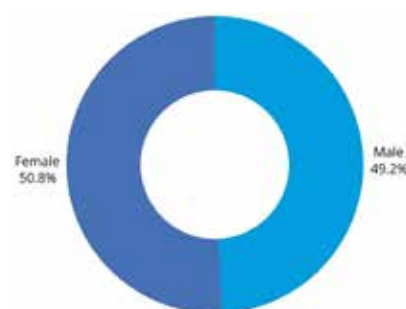

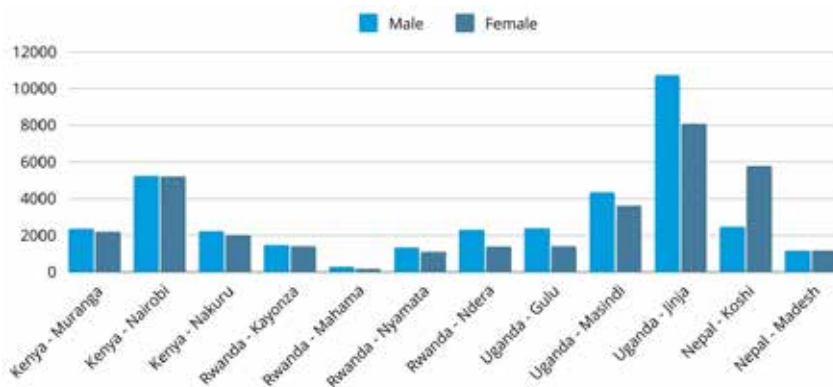

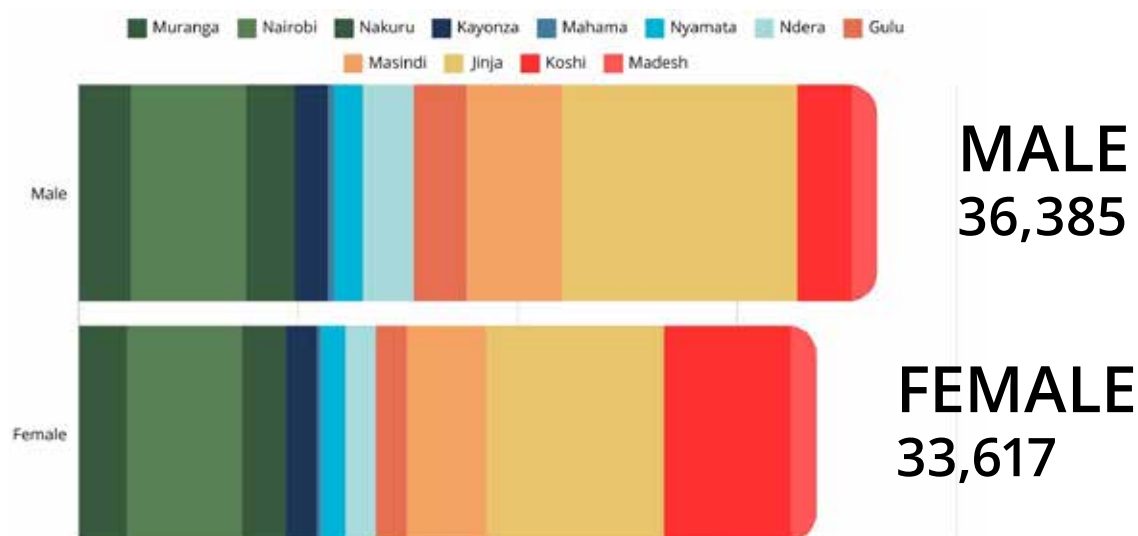

JUN/JUL/AUG - SUMMARY

TOTAL COACHED - 70,002

SESSIONS - 1,887

HOURS COACHED - 3,880

JUN/JUL/AUG HIGHLIGHTS / CHALLENGES

- Long holidays in East Africa have seen successful community sessions being run.
- Lots of session have taken place in Nepal despite it being monsoon season.
- Competitions have taken place in every country.
- Girls from the hubs in Kenya, Rwanda and Uganda selected for national u19 squads.
- Protests in Kenya led to coaching there being suspended for 2 weeks.
- Players from Mahama refugee camp travelled to Rwamagana for friendly match as well as taking part in a tournament in the camp.
- Cricket Kenya are rolling out programmes to other regions based on the CWB hub model.

KENYA - MURANGA

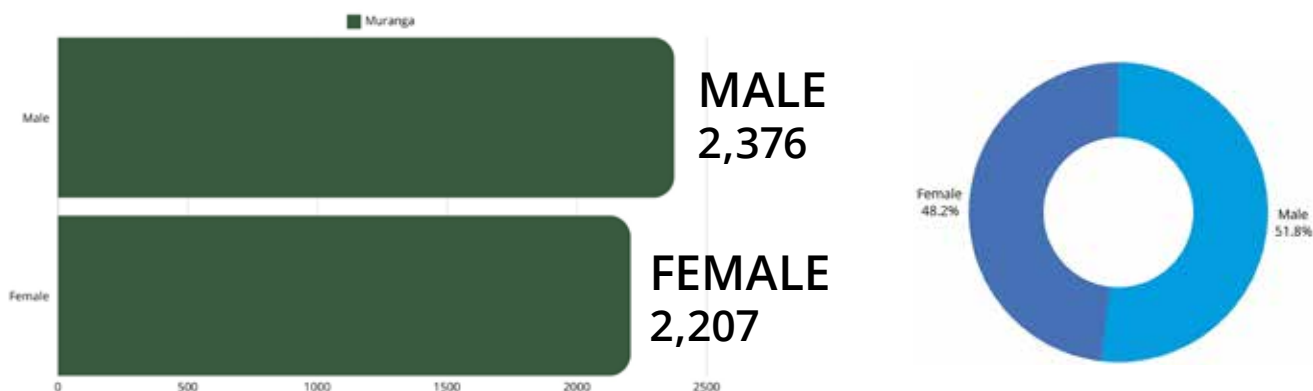

JUN/JUL/AUG OVERVIEW

TOTAL COACHED - 4,583

SESSIONS - 81

HOURS COACHED - 250

JUN/JUL/AUG HIGHLIGHTS

Muranga holiday camp and tournament,
Muranga primary school Vs Makuyu
primary school

Muranga primary school won by 56 runs

Tomorrow there's a scheduled demonstration country wide.

We shall assess the situation, severity and extent of the unfolding situation and then decide if it will be possible and/or safe to go for coaching.

In the league Muranga came to Nairobi twice to participate as a team under the name of the sponsor Hirani development.... they lost one match and one they were given a walkover as opponents failed to turn up ... Nairobi based teams honoured the majority of the fixtures due to logistics issues.

KENYA - NAIROBI

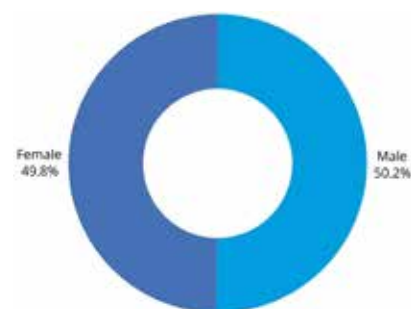

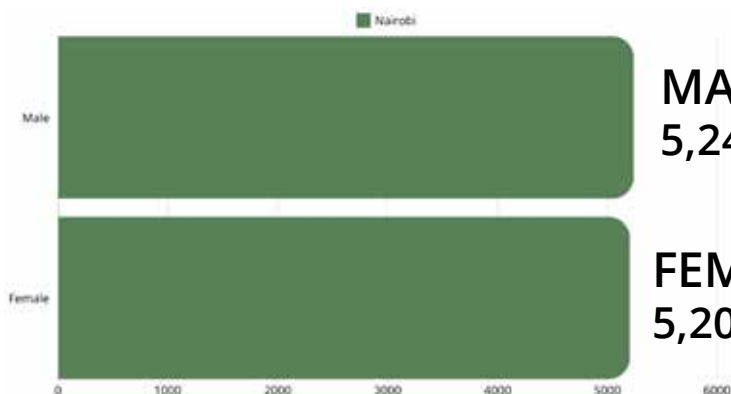

JUN/JUL/AUG OVERVIEW

TOTAL COACHED - 10,448

SESSIONS - 125

HOURS COACHED - 409

JUN/JUL/AUG HIGHLIGHTS

Top work Coaches....our work has been noticed....let's keep up the good work..... Two of our players have been selected to join Kenya under 19 ladies national cricket team

For Thursday we take a break if the tension around your area of duty escalates and is risky....better to be safe than sorry ...kindly update each match played and record an a score sheet....identify the outstanding individuals who should be prioritize in the September League....

I have talked to DD and his assistant.... and our programme under MCC funding has created a lot of interest which the other counties have embracedI am humbled that the idea has been taken positively by CKand our efforts are widely noticed.... be part of this transformative change....

Thanks all for you efforts....am working on the previous week reports soon I will post them hereI have been engaged in a series of county visits trying to help CK emulate what we are doing as MCCF/ CWB....

KENYA - NAKURU

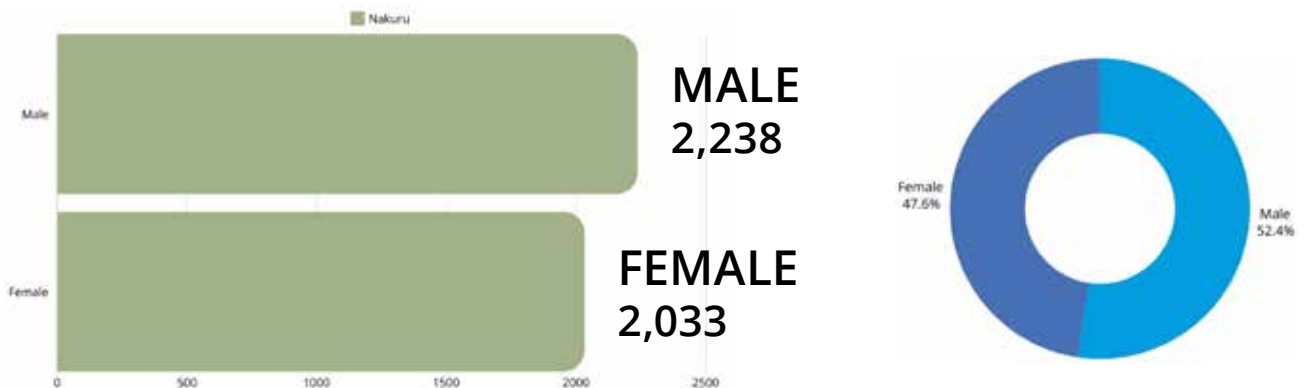

JUN/JUL/AUG OVERVIEW

TOTAL COACHED - 4,271

SESSIONS - 82

HOURS COACHED - 268

JUN/JUL/AUG HIGHLIGHTS

Earlier today we held a mini camp for the under 19 girls prospect in the presence of Thomas Odoyo the Head of Development Coaches at the Rift Valley Sports Club grounds.

Today also the Kenya Under 19 girls team travelled to Nakuru for their camp before traveling for national duties. They were joined by some of our girls as they began their training sessions.

Today marks the beginning of our two weeks holiday camp at Nakuru Day High School.

We have created a fixture of the six schools we coach and the kids will play 15 Overs Matches.

Each of the coaching staff have been assigned a team and it's their responsibility to ensure the teams are prepared and ready for game days. They are also going to help with Scoring and Umpiring.

KENYA - HEAD COACH REPORT

Nichola Olouch

The normal school sessions were conducted as usual during the school hours with community advance sessions over the weekends to focus on a certain group of selected players to advance their skills. Whilst in Muranga during my subsequent visits we created interest from a group of an alumni group that ended up helping Matthias in running sessions both on and off the normal school routines..

In Nairobi just like Muranga the approach was similar with school sessions and weekend programmes running... addition to this we were able to play internal matches every weekend at Unity mixed teams .

With the onset of the Nairobi based league....I managed to secure a sponsorship to field both men's and ladies team in the Nairobi based league which was played on Saturdays and CK also sponsored a team under CK development....I was in charge of all the teams and every weekend we participated in an eight based league format which we played one leg only with the top four teams qualifying for the semi finals (which are to be held this weekend)... unfortunately none of the development teams made it to the knockouts but a good exposure as first timers.

Nairobi hosted the under 19 women's league prior to the current qualifiers in Rwanda with an aim to select a squad to represent Kenya....Muranga Girls and Nairobi girls actively participated with Nairobi producing 7 girls and Muranga 1 and Nakuru 1...

All three regions later on during the August holiday programme....played a league format that saw teams actively participating in a 15 over matches every day....the aim was to give exposure and enough game time unlike what we are used towith this idea 8 counties under CK ended up adopting the same approach....

Muranga 6 schools under Matthias has really benefited from the programme and they have become young ambassadors of the game under Muranga county

Our ideas and the way we handle the 3 regions from school sessions to holiday camps....injected a bit of life on how CK should go about the other regions....prior to the just concluded county leagues which you have been actively part of as well as apart of our hub competitions gave life to what you witnessed across the 9 counties across Kenya as far as Cricket development and competitions is concerned.

We should be proud of what we have accomplished....with 9 girls representing our country at the ongoing qualifiers in Rwanda is a clear indicator of what impact we are creating at the ground....I suggest we think of a way of actively engaging the young lads and pick a lot to frequently work with especially on Batting....it has taken us close to 6 years to build and prepare the under 19 team....for sure the great have fallen along the way...but we have retain the current lot ... focus more on batting drills and patience to stay on the wicket ...

RWANDA - KAYONZA

4. What they are doing well
5. What is the challenges, they are facing every single day
6. What they want improve as coaches.

Hello coach! Yesterday on 15 June 2024 at Mahama, we had a competitive tournament

On the boys side teams are

1. Lions
2. Brothers
3. Fighters

On the girls side teams are

1. The Angels
2. Inyange
3. The Winners

The winners of the tournaments from the girls side is Inyange

The winners of the tournaments from the Boys side is The Brothers

Thank you again MCCF, CWB and Rwanda cricket Association for developing Our cricket game

RWANDA - NYAMATA

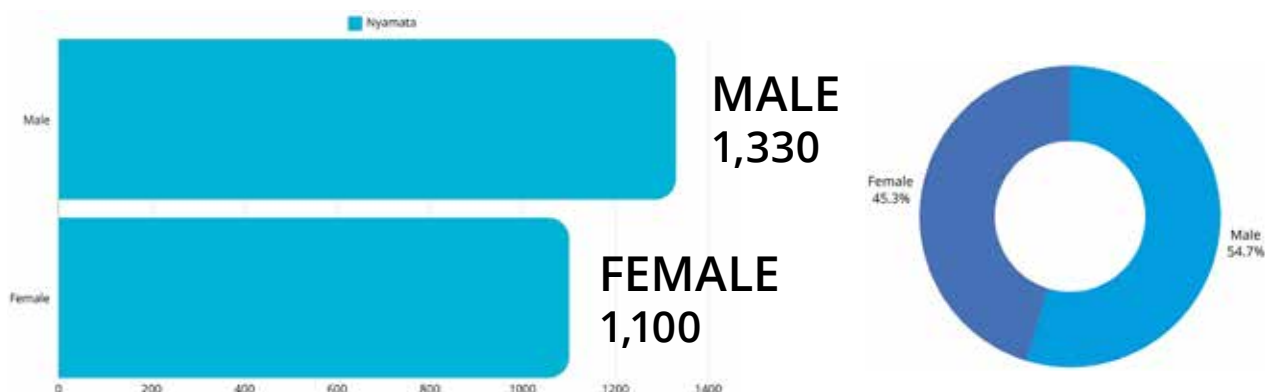

JUN/JUL/AUG OVERVIEW

TOTAL COACHED - 2,430

SESSIONS - 39

HOURS COACHED - 102

JUN/JUL/AUG HIGHLIGHTS

On 6 August 2024, we had one day coaching camp at RCCS players coming from different area

Girls and Boys learnt batting skills and bowling skills plus leadership and life character GASORE SERGE FOUNDATION (RCCS) have Played huge role in our cricket development

We coached 200 boys and 220 girls, we worked on fielding sessions

Each and every player got chance to play quicky hit game. It was a good time for young stars, every one have developed his, her cricket skills.

In Elite league women 's cricket tournament 2024, Mukamusoni Anifa from Bugesera she played well in Ingenue Heroes

It's good success for Eastern cricket, players have got an experience to play with senior players.

The game in Eastern is growing well, thank you RCA , MCCF and CWB for developing our game.

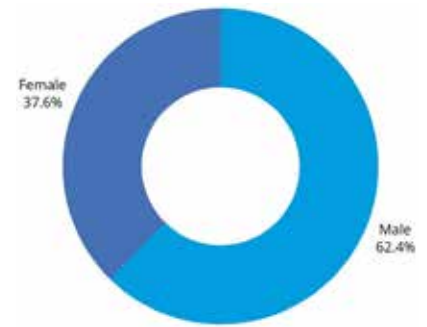

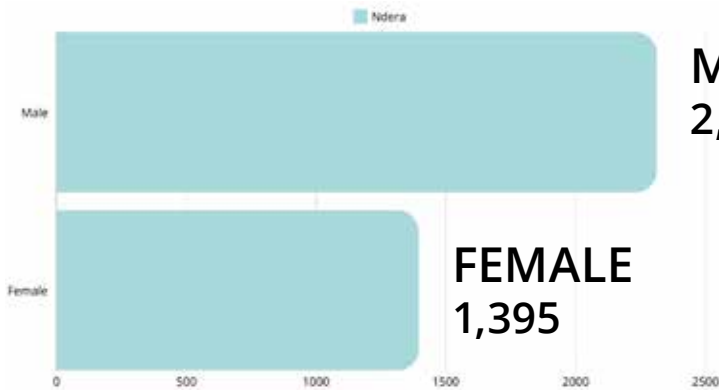

RWANDA - NDERA

JUN/JUL/AUG OVERVIEW

TOTAL COACHED - 3,707

SESSIONS - 64

HOURS COACHED - 169

JUN/JUL/AUG HIGHLIGHTS

Increased participation in cricket coaching sessions, especially among girls, highlighting a growing interest in cricket.

We organised games every Friday to give practical experience and simulate real match conditions. Our Under 13 team played two friendly matches against SOLA Girls on the 22nd and 24th of July, which provided valuable match practice.

Organising specialised camps: one-week camp for bowling and fielding, one-week camp for batting, and a 10-day holiday camp.

Masindi sss team arrived in Gulu safely yesterday and ready for tournament.we Wish them all the best 🍀 in their games .

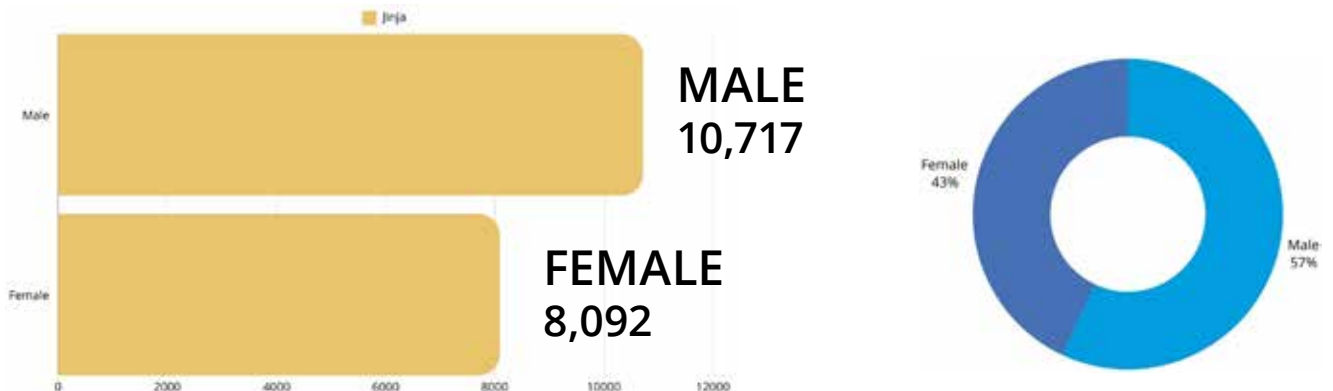

UGANDA - JINJA

JUN/JUL/AUG OVERVIEW

TOTAL COACHED - 18,809

SESSIONS - 389

HOURS COACHED - 866

JUN/JUL/AUG HIGHLIGHTS

Most schools got their holidays and so the number is increasing.

Games teachers have gotten interest in the game and are always calling coaches to come and work out with the young ones.

We would like to request if we can get some pairs of uniforms for the hub to work as community uniforms so as we can play our inter village tournaments.

NEPAL - MADESH

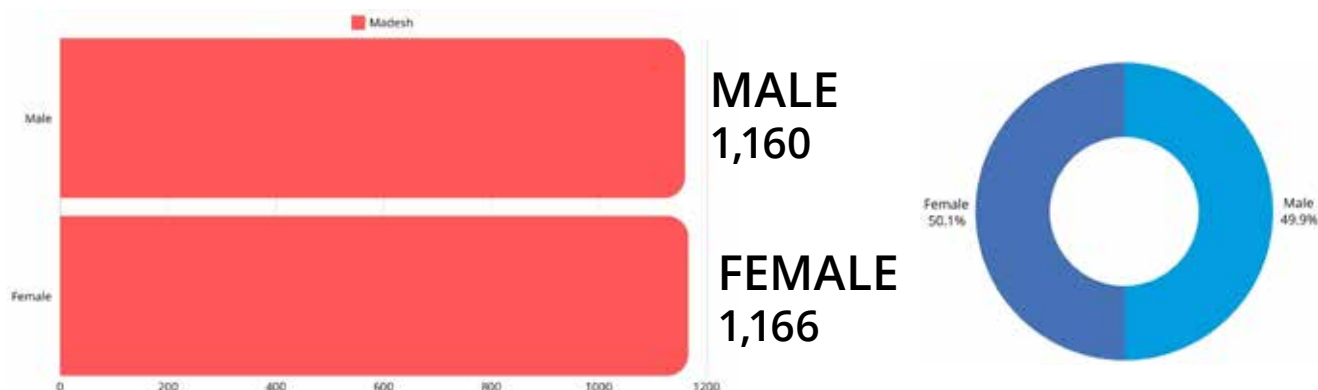

JUN/JUL/AUG OVERVIEW

TOTAL COACHED - 2,326

SESSIONS - 141

HOURS COACHED - 186

JUN/JUL/AUG HIGHLIGHTS

From June to August, we successfully completed two major events: the Girls Inter-Hub (Siraha-Saptari-Morang) and the Parents Workshop. We also continued with our school and community sessions. Here are some details about the events:

Girls Inter-Hub (Siraha-Saptari-Morang)

Originally, we planned to hold separate Girls Inter-Hub events for Siraha-Saptari and Morang-Saptari. However, we decided to combine them into one event. The tournament featured teams from three districts competing in a T20 cricket format. The event took place from April 30, 2024, to May 3, 2024. Over four days, the first three days were dedicated to league games, with the final game occurring on the fourth day. In the final, Morang faced Saptari and emerged victorious, winning the title.

The tournament was conducted with a strong focus on safety and inclusiveness. Players had the opportunity to interact with both national and international players, which significantly boosted their confidence both on and off the field.

Parents Workshop

We initially planned to conduct two Parents Workshops in Saptari—one in Rajbiraj and another in Khadak & Surunga combined. However, we were only able to deliver a successful workshop in Rajbiraj. Due to the rainy season, many parents, who are primarily farmers, were occupied with planting rice and could not attend.

Community and School Sessions

We continued to run both Community and School sessions, maintaining a high level of inclusivity and engagement. School sessions saw significant participation from students, while Community sessions attracted both current players and new, interested participants.

SESSIONS - 628

HOURS COACHED - 814

JUN/JUL/AUG HIGHLIGHTS

The “Coach Development Workshop” was organized on 30th August, 2024 to bring together cricket coaches from various regions within Koshi Province.

The necessary kits were successfully delivered to Ilam to start the training sessions at Adarsha Madhyamik Bidhyalaya in Ilam.

We are delighted to inform you about the upcoming Third Edition of the Biratnagar Hub Inter School Tournament 2024 (Girls), organized by the Nepal Cricket Foundation (NCF).
